

National Year of Reading 2026

April

National Year of
Reading 2026

Are you ready to go all in?
Get reading every month with
a new reading challenge!

Your challenge this month is
to read anywhere and
everywhere!

Read or listen to a book in
different places. This could be in
the garden, on the sofa, in bed,
at the park or while travelling.
Take a photo of where you read
and bring it into school to share
with your class and display in
the library.

Remember, you can read or listen to books
or magazines on Sora.

Share your favourite text to read in your
photo. Books, magazines, comics,
newspapers or even instructions.
