

National Year of Reading 2026

February

National Year of
Reading 2026

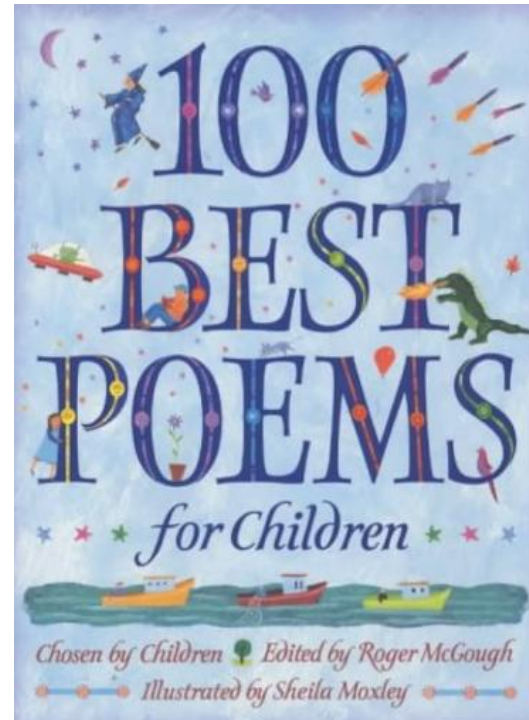

Are you ready to go all in?
Get reading every month with
a new reading challenge!

Your challenge this month is
to read or listen to a poem a
day. You could read a
favourite poem, learn a short
poem by heart, or share a
poem together as a family.

Check out the Children's Poetry
Archive for resources!

You can also read and listen
to poems on Sora!
